

# Javelina Chase 5K Fun Walk/run

The run will start on Fairgrounds Rd near the Fire Station and run South (towards Duncan) for approximately 1 mile. The runners will then turn around (near the bank) and run North to the other end of Fairgrounds Rd, past the Fire Station to near the junction of AZ 75. Just before the junction the route sweeps right onto a dirt service road adjacent to AZ 75, which extends into the back side of the Fairgrounds.

Once inside the Fairgrounds the course follows Race Track Rd to the East and around the East end of the horse track. The course winds its way around the grandstands and follows the track to the end of the parking lot. The final stretch will be marked up to the finish line.
